CREATIVE

SPARK

Creative Scene can offer support to help you bring a new arts or creative activity to your event and add that extra ‘spark’.

We do not offer funding or grants. We work with you to help find, develop, and programme relevant arts and cultural activities, community engagement and participation activities.

This enables you to try out something new and find ways of attracting new people to your events.

Our Spark Partnership supports events that can reach people who are not regularly engaged in arts and culture in Kirklees.

Our priority areas are Batley, Dewsbury, Cleckheaton, Heckmondwike, Birstall and Huddersfield - and we are keen to reach more people in the following neighbourhoods:

- **Gomersal**
- **Windybank**
- **Shaw Cross**
- **Batley Carr and Mount Pleasant**
- **Chickenley**
- **Dewsbury Moor and Westtown**
- **Ravensthorpe**
- **Fieldhead**
- **Healey**
- **Crosland**
- **Far Town**
- **Lockwood**

SPARK so far...

Our Festive Spark Partnerships saw us bring breakdancing Santas to Dewsbury, a walkabout brass band to Cleckheaton, and a magical lantern show to Birtsall.

This summer we will be bringing hands-on arts activities to Batley Pride and some special film screenings to Heritage Open Day, Dewsbury.

What SPARK offers

We can offer programming and activity in the region of £500 to £2,500, depending on the scale of your event.

We will work with you to help identify performers or artists that will best match our shared needs - and will contract and support the artist to come to your event and liaise with them on the day.

We collect information about the audiences at the event and find out what they thought about the arts activity.
