

# SPARK

**Festive Creative Events Partnerships**

**Would you like Creative Scene to help you bring that extra 'spark' to your festive event in Kirklees this year, to enable you to try something new and attract new audiences?**

**Previously we have bought breakdancing Santas to Dewsbury, a walkabout brass band to Cleckheaton and a magical lantern show to Birstall.**

## **What we offer:**

**We will work with you to identify a company or artists that best match your event, and cover their fees (usually between £500 - £1000).**

**We will contract the artists and one of our team members will act as the artist's liason to support them at your event.**

**We will collect information about the audience attending the event to enable us to support more arts and cultural activities in Kirklees.**

**Due to popular demand, we ask for applications and use the following criteria to help with our selection process.**

## **The criteria:**

- **The event must take place in Kirklees.**
- **Your event must aim to reach people who are not regularly engaged in arts and culture.**
- **We are looking for groups and events that want to try something different, add a new twist and attract people that have never been before.**
- **The event must attract audiences of 500+ over a period of 2 or more hours.**
- **You must be able to offer at least 1 volunteer to support Creative Scene with artist liaison and data collection at the event.**

## **How to apply:**

**Fill in the application form at least 4 weeks before your event and a member of the team will be in touch.**

**If you require the form in a different format, or have any questions please get in touch with Paula Clark.**
